COREY AND ACTRESS WIFE BOTH HAPPY

Will Live in France in a King's Villa—He Quits Million Dollar Job.

Pittsburg, Pa., Jan. 6.—Now that Wm. E. Corey, the million a year president of the Steel Corporation, has resigned, it is said, that with his actress wife, Mabelle Gilman, he will soon leave for France to make that country his future home.

Mrs. Corey's devotion to Europe is well known and it is now believed that they will occupy the beautiful chateau

de Villigenis, near the village of Masey Ferrieres, France, which Mrs. Corey purchased for \$50,000 francs before her marriage.

The chateau formerly was the home of Jerome Bonaparte, king of Westphalia, who died there. His coat of arms surmounts the facade of the building, which was built in the seventeenth century by count de Lorme, who sold it to Bonaparte.

Mr. Corey's marriage to Miss Gilman created a sensation at the time, owing to the divorce proceedings brought by the first Mrs. Corey, but the marriage seems to have been a happy one.

HARRIGAN SETS NEW PACE FOR FIVE FURLONGS

Brandt Horse Pulls up From Rear and Quits an Easy Winner.

Harrigan established a new record for Terrazas park Thursday in the five furlong dash and came within two seconds of equaling the world's record for this distance. He ran the distance in 58 2-5. This was done with 116 pounds on board and with a slow start and a delayed finish, due to the fact that there was no opposition at the finish for the big Brandt horse.

The horses went away from the barrier to a flying start with Dr. Smoot and John Griffin out in front. The first quarter was torn off in 22 flat which establishes a record for that distance. Harrigan was away seventh and looked to have a hard time of it. But Keogh brought him up to first place at the stretch turn and just breezed him home with the ribbons taut to hold him back. Had the big performer been extended to the limit two weeks ago, when it was supposed by Terns Trick at Oakland.

Polls Tears Off Speed Chunk.
Polls also tore off a chunk of speed in the third race, the overnight half-mile. It was Polls and Meadow all the way with Meadow having all the best of it to the finish. Keogh tried to put Polls through on the back stretch twice but failed both times and had to take his mount out and around to get past. At the stretch Meadow and Polls were being ridden to win and it looked like Meadow all the way. But Keogh shook his mount up and he responded gamely, going away to a flying finish a length to the good. The time was 1:38, the fastest of the meeting for the mile distance and within 1-5 of a second of the record established over the same course last season by Knight Deck.

Two-year-olds Busy.
Even the two-year-olds were up and doing Thursday. In the Santa Clara stake race Calisee went the route of three furlongs in 34 and 3-5, beating the field of seven youngsters. Calisee was leading by a big margin into the final turn but had only enough steam left to finish in front with Bessie Frank a close second. Bessie had stood a lot of punishment and was coming fast enough to win in another stride. Loewen allowed Soon to break the breeze in the first race until the time came for the move when Rice shot his mount out in front and just breezed home a winner. Soon made a good effort and set a lot of fast pace but was not good enough to beat the winner. Silk was shown out in front at the first of the second race and stayed there until the finish had been reached and passed. Bacarra was in good position all the way and ran a creditable race. Dennis Stafford received a rotten ride but held onto third place in spite of it. John Louis won the closing mile race. He was well ridden by jockey Cotton and finished a good two lengths in the lead. Koepke, an old time campaigner, was second and Bon Ton third.

YOUR KIDNEYS WILL ACT FINE AND ANY BACKACHE SIMPLY VANISHES.

Just a few doses regulate the Kidneys, ending Bladder misery.

The real treachery and danger in kidney trouble is because first symptoms are always seen in other parts of the body before anything wrong is noticed with the kidneys themselves. The moment you suspect any kidney, bladder or urinary disorder, or feel a dull, constant backache or the urine is thick, cloudy or offensive or full of sediment, irregular of passage or attended by a scalding sensation, begin taking Pape's Diuretic as directed, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which is so harmless or will effect so thorough and prompt a cure.

BOOTLEGGERS ARE PUT UPON NOTICE
Auto Mail Service Investigation Has Meen Completed at Roswell.

Roswell, N. M., Jan. 6.—Before sentencing three men convicted of "bootlegging," Judge Wm. H. Pope made a statement of considerable length giving the position of the court on law enforcement in such cases, saying that parties who may be convicted of bootlegging before city magistrates and who appeal with a view of delay or with expectation that this ordinance will be placed upon a license basis by the imposition simply of a fine, will be grievously disappointed.

The investigation of the Roswell-Vaughn auto mail service, ordered by the postoffice department, in consequence of petitions signed by citizens of Roswell, Albuquerque, Santa Fe and other points in the territory, asking that service be reestablished, has been completed by Robert H. Aldons, of the Denver office of the department. It is understood that his report is to be acted upon promptly.

The Roswell fire department succeeded in extinguishing a fire that started in the basement of the Carnegie library heating plant in a pile of trash and boxes in the boiler room, after half filling the basement with water.

The fine refrigerating rooms of the concrete storage building (100x198 feet) of the Pecos Valley fruit and storage company, will cover a space 38 feet, 7 inches wide and 58 feet, 11 inches long. The temperature in them can be reduced to four degrees above zero.

Put an end to kidney trouble while it is only trouble—before it develops into Dropsy, Gravel, Diabetes or Bright's Disease.
Pape's Diuretic acts directly upon the kidneys, bladder and urinary passages, cleanses, heals and regulates these organs, cures and glands and completes the cure within a few days.
Pains in the back, sides or loins, rheumatic twinges, debilitating headache, nervousness, dizziness, bilious stomach, prostatic trouble, sleeplessness, inflamed or puffy eyelids, weakness, worn-out feeling and many other symptoms caused by clogged, inactive kidneys promptly vanish. Frequent, painful and uncontrollable urination due to weak or irritable bladder is overcome. Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape of Cincinnati, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.
